EC Attestation

EC Attestation

In application of the directive 89/686/EEG of 21 December 1989 concerning the harmonisation of the Member States legislation relative to personal protective equipment, Centexbel Notified body 0493 authorised by decree AV/OA235/ST dated 94-05-25 of the Ministry of Employment and Labour has issued

CE TYPE EXAMINATION CERTIFICATE

Nr. 033/2015/1205

This CE Type examination certificate is valid until 19 Nov 2020

to: **Honeywell Protective Clothing, Bagnols-sur-Cèze**

for: **Coverall Spacel 3000 AP EBJ (C)**

The personal protective equipment above mentioned satisfies the applicable essential safety requirements of the Directive.

For the argumentation, the following standards are used:

EN 13034:2005+A1:2009 Protective clothing against liquid chemicals - Performance requirements for chemical protective clothing offering limited protective performance against liquid chemicals (Type 6 and Type PB[6])

EN 14126:2003 Protective clothing - Performance requirements and tests methods for protective clothing against infective agents

EN ISO 13688:2013 Protective clothing - General requirements

This is PPE of category III, subject to regular checks in accordance with article 11 of the European PPE directive. In agreement with the manufacturer's choice audits shall be carried out to assess the quality control system (art.11B). The manufacturer must be able, on request, to present the audit report. A first audit shall be performed at the latest on 31 Dec 2016 and at least be repeated with intervals of one year.

This declaration applies to the equipment as submitted in the type testing and described in the manufacturer's technical file that is registered with number 4643_1.

Issued by Centexbel, Notified Body 0493^(*), in Ghent, on 19 Nov 2015
